MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS AND OPERATION REVIEW

The Group is a Cantonese full-service restaurants group operating Cantonese cuisine restaurant under two self-owned brands.

Restaurant Operations

For the nine months ended 30 September 2022, the Group operated six full-service restaurants in Hong Kong to provide Cantonese cuisine under the brand names “Dragon King (龍皇)” and “Dragon Gown (龍袍)”. All of the Group’s restaurants are strategically located in prominent commercial areas, residential areas or shopping complexes. The Group is committed to providing high quality food and services as well as a comfortable dining environment to its customers.

All of the Group’s restaurants are located in Hong Kong. As at 30 September 2022, the Group had three restaurants in Hong Kong, one of which is located on Hong Kong Island (known as the “**Wan Chai Restaurant**”), two of which are located in Kowloon (respectively known as the “**Kwun Tong Restaurant**” and the “**Whampoa Restaurant**”).

For the nine months ended 30 September 2022, the food and beverage industry suffered from the outbreak of the fifth wave of COVID-19 in Hong Kong. The Group is facing a challenging business environment due to the implementation of strict dine-in restrictions and social distancing measures by the Hong Kong Government.

In early 2022, the Hong Kong Government announced restrictions on the maximum number of persons per table for catering promises. The continuous outbreak of COVID-19 and a series of anti-epidemic measures implemented causing adverse impacts on the Group’s financial performance, resulting in the Group’s revenue has suffered a significant decrease of approximately HK\$118.3 million or approximately 67.6% during the nine months ended 30 September 2022.

In early January 2022, the Group closed down the ICC Restaurant due to the end of rental agreement.

The tenancy for the Causeway Bay Restaurant ended on 28 February 2022 and the Board, having taken into account the repair costs, the ongoing COVID-19 situation in Hong Kong and the emergence of a new consumer trend of ordering takeaways, has determined not to renew the tenancy in order to focus the Group’s resources on its remaining restaurants.

In view of the development of the COVID-19 pandemic and the latest public health situation in Hong Kong at the time, the Board temporarily suspended the operation of its restaurants in February and March 2022 and operation was later resumed. Please refer to the Company's announcements dated 7 March 2022 and 18 May 2022 respectively for further details.

The Group closed down the San Po Kong Restaurant in July 2022.

Disposal of a subsidiary

On 20 December 2021, Silver Everford Limited, an indirect wholly-owned subsidiary of the Company, entered into a sale and purchase agreement with independent third parties to dispose of the entire issued share capital of the Shanghai Subsidiary, an indirect wholly-owned subsidiary of the Company, at nil consideration. Please refer to the Company's announcement dated 26 August 2022 for further details.

The increase in the loss attributable to owners of the Company was mainly due to the gain on disposal of a subsidiary during the period.

PROSPECTS

In view of the recent economic downturn accompanied by long-standing COVID-19 in Hong Kong, the Group adopted a conservative and cautious approach to operate its business. The food and beverage industry is facing a very challenging business environment including a slowdown in economic growth in Hong Kong, weaken consumption sentiments due to the outbreak of COVID-19 and the anti-epidemic precautionary measures including restrictions on catering business premises imposed by the HKSAR Government. The total effects of the above pose a challenge to the Group's business.

On the other hand, the staff costs and food costs remained relatively high despite the current economic downturn, therefore the Group is facing pressure on striking the balance between cost control and the qualities of the food and services. Another major cost component for the Group is the rental expenses. The Group has been negotiating with the landlords for rent concessions as certain of the Group's restaurants could not be operated normally due to the restrictions on catering business premises but the landlord were reluctant to grant a large amount of rental concession.

In response to the adverse business environment brought by COVID-19, the Group has adopted a series of cost saving measures and set out contingency plans to overcome the difficulties in the current business and market environment. The Group will continue to evaluate the overall market conditions and strike a balance between expanding the Group's restaurants and closing down underperforming restaurants in the future.
